Half A Million Reading Challenge – we need your help!

It’s time to get your Reading Logs in for the final count! Currently, the recorded reading time equals just 26,706 minutes, which is 445 hours, or 18 days of solid reading. We estimate that the 500,000 minutes has probably been reached by our students, teachers and family members, but we need your Reading Logs to prove this.

For anyone wanting to do a Reading Log catch up

• time yourself while reading a page of your book
• multiply this figure by the number of pages in the book that have writing on them
• then record this amount on your log

So far, a special mention goes to Mrs Andreatta year 6 class for their keen participation, also Mr Webb, Mrs Smith and Mrs Paterson classes have put in a strong effort, as have some students from Mrs Hill year 9 Home room, Ms Brack year 10 Home room and Mr Heffernan year 5 class.

Reading Logs can be returned to class room teachers in the junior school, and to the home room teachers in the middle and senior school. You can also email your Reading Log details directly to me.
