In celebration of the fantastic efforts that students have made towards house points so far this year and demonstrating HERO values in class, KSS House Colours Day will be held next Thursday April 10.

Students are encouraged to dress in school house colour clothing and participate in crazy hair/face painting activities.

KSS is also celebrating the culture of “giving”. We will be incorporating The Worlds Greatest Shave on this day and raise funds to support Leukaemia Foundation.

SRC students will be collecting donations during roll call for the entire week 10 and conduct crazy hair stalls for the Thursday’s activities. 100% of donations will go towards the foundation.  Volunteer students and teachers will be shaving their heads and if the school raises $3,000 Jan is willing to shave both her eyebrows! Some students and male teachers are waxing their legs too!

School Board Vacancies 2014
