**Yr 9 Broken Bay Leadership Camp**

Expressions of interest for camp have now closed.

Costing has been finalised at $350.00. Please ensure total payment is made by Thursday, 11th of September to secure your child’s spot.

Early next term we will send further information with confirmation of the camp program as well as a request for medical details.

If you have any enquiries, please contact Nghi Perrim—Pastoral Care Coordinator

**Congratualtions Tayla!**

Tayla is representing the ACT in the Sub Junior age team at the 26th National Calisthenic Championships in Melbourne on the 10th July. The competition invites all state and territories to compete at National level. Tayla has shown outstanding commitment to the team as well as to the sport in general. She has trained very hard and has still achieved exceptional results at school. On behalf of her family, friends and the school, we wish Tayla and the team the very best of luck. Go ACT!

Here is a photo of Tayla in her ACT uniform.

**Canteen News**

Please remember PANTRY DRIVE! Any donations of Milo, jam, vegemite, honey, margarine or tinned crushed tomatoes will be very much appreciated.

Please continue to support your canteen.

Many thanks Amelia, Canteen staff and KSS P&C
MindMatters for KSS
Kingsford Smith school would like to investigate the possibility of becoming a Mindmatters recognised school.

What is Mindmatters? MindMatters is about young people; their health and wellbeing. It helps schools to support young people to achieve their goals, build relationships and cope with challenges.

MindMatters is a framework that aims to promote mental health, prevent problems and enable early intervention. MindMatters:

- Supports schools around Australia to foster the mental health of their students
- Provides training for schools using the framework
- Assists secondary schools and health services to work more closely together
- Encourages secondary schools and families to work more closely together

Provides useful resources and links (on this website) for young people, families, teachers and schools

More information can be found on their website: http://www.mindmatters.edu.au/

We would like to get together a committee with students, teachers and parents to discuss the relevancy of this framework to our students and our community.

If you are interested in joining this committee, please contact Mrs Perrim.

Internet Safety
Thank you to the parents that attended last night’s ThinkUKnow presentation on Internet Safety.

The information that was shared by Jane Tully was quite an eye opener to the parents.

One area which was of strong interest was reputation management.

It is astonishing to think that what we do through our devices whether it be computers, phones or games can affect us since our digital footsteps can not be erased. Ever.

Here is some advice from the ThinkUKnow website to perhaps discuss not only with your child but between family and friends.

Winter School Holiday Program at Belconnen Arts Centre. Tues 15—Fri 18 July 2014.
