

Lost Property Frequently Asked Questions

What to do when you have FOUND something?

Anything that is found can be placed in the yellow lost property crate in the foyer of the junior school hall. Please put it in the crate for sorting. If you have the time, please look for a name first, and if it is labelled it would be nice if you could return it directly to the owner or via their class teacher.

What to do when you have LOST something?

Every effort is made to return labelled items to individuals through their class. For any unlabelled lost items, please check the yellow lost property crate. The crate is cleared for charity collection at the end of the term.

How can I try my best to NOT LOSE something?

Finding your lost belongings will be made a lot easier if they are clearly labelled with your name. Including your homeroom or year group can be beneficial too.

Personalised Labels.

There are a number of companies that make personalised labels via the Internet or mail order. There are labels for clothing (iron-on, sew-on, permanent, and semi-permanent). There are labels for lunch boxes, lunch bags and drink bottles (large and small). There are bag tags for backpacks. There are even such things as shoe dots.

The following is a list of companies that some of our families have used in the past that are reputable and affordable.
