Student name: _____ Class: _____

I agree and understand:

- to give authorisation for the teacher in charge to make arrangements for the welfare of the student including medical or surgical treatment in an emergency.
- to meet the costs associated with any emergency arrangement made by the teacher in charge.
- excursions will not be available to students who do not display acceptable behaviour both in and out of the classroom; the school considers excursions a privilege, not a right.
- that the student will be under the authority of the school for the duration of the excursion, and that the school is authorised to return the student home at the expense of the parent/guardian if the school considers that circumstances warrant such action.
- that staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities.
- that staff members are not responsible for injuries or damage to property, which may occur on an excursion where, in all circumstances, staff has not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.
