**Reflection @ KSS**

At KSS we have a very strong focus on students’ right to learn and teachers’ right to teach. To support this, as of next Monday, we are adding to our student management steps. We will still use our buddy class ‘time out’ system but if a student is non-compliant or continues to disrupt they will move to a room supervised by executive staff. They will continue with their class work and will remain for the following break to catch up on any missed learning. The normal suspension processes will flow from this if needed. We will let parents know if their children spend time in the reflection room so that we can work together to support learning.

“Getting connected. Staying connected. That’s the best thing any of us can do.” Gavin Larkin, R U OK Day Founder.

“Nothing beats face-to-face time. Time with family, time with friends.” Hugh Jackman, Ambassador for R U OK Day.

Our KSS High School students are participating in activities around R U OK Day. Learning different strategies, having conversations & they can also get support for themselves, friends or families if needed.

All students are welcome to wear yellow or orange clothing in support of R U OK? Day on Thursday, September 18. Dedicated to inspire people to ask each other “are you ok?”

Ginninderra Tigers Little Athletics Club registration for the new season, October 2014 to March 2015, has now opened. We welcome all girls and boys aged between 3 and 17 years of age who’d like to run, jump and throw, to visit us on a Saturday morning at Charnwood Oval. Athletics is the foundation for every sport and is great fun and exercise over the summer. Ginninderra is a family friendly club and doesn’t have an overly competitive feel. There is something on offer for everyone each weekend and each morning session is completed in about 60 minutes.
