## INFORMATION ABOUT YOUR BOOK PACKS

### UPDATED 2015 BOOKPACK LISTS

Thank you for selecting Chalk Education to supply your child's stationery requirements for 2015. The following information has been provided to assist your understanding of our backpack process.

**EarlyBird Pricing** – Please be aware there are two prices on the backpack list. To ensure you receive the best price, be an EarlyBird and order before your schools cut off date. All orders purchased after your schools cut off date or ordered in store will be charged at the discounted backpack price.

**Late Orders**- Stock cannot be guaranteed for orders placed after your school cut off date. In the event that an item is not available at the time of order, delays of up to 4-6 weeks may occur.

**Product Substitution** – In the event that a specified item is unavailable Chalk Education will replace the item with a like item of equal value taking every care not to jeopardise specific educational requirements.

**Back Ordered Items** – In the event that an item is unavailable and a suitable substitute cannot be found, Stationery packs will be distributed without the item(s). For packs ordered before your schools cut off date, the item(s) will be delivered to the school with your child's name attached as soon as it becomes available. A brief note explaining this will be included in each effected stationery pack to keep you informed. Late order backorders will need to be collected from the store front.

**Bulk Items** – All pre ordered bulky items (ie. paper, tissues, art folios etc) that will not fit in the backpack packaging will be delivered direct to school. A list of students that have paid for these items will accompany the goods.

**Missing/Damaged Items** – Claims must be made in writing within 7 days of receiving your backpack. Please address claims to: The Manager.
